Introduction

In the heart of Italy, between Umbria and Tuscany, Trasimeno lake is surrounded by rolling hills: the most important of these is Monte Solare, famous since ancient times for its worshiping cult. Here in the green heart of the olives, vineyards and woods an ancient patrician villa and its centuries old farm houses were converted into a luxury hotel in 1989. Since then, under the custody of Filippo and Rosi Iannarone, Villa di Monte Solare has offered its guests charm and tranquillity together with courtesy and distinction. The SPA & Beauty Farm "Le Muse" completes the offer of this fantastic hotel with luxury beauty treatments by "Carita Paris" as well as a vast variety of massages, aesthetic treatments and exclusive relaxation courses for individuals or couples. The Hotel is open all year round.
